

SICILY IS MY LOVE

Slow Juicer SJF01 DG

Dolce&Gabbana and **Smeg** join creative forces to create **Sicily is my Love**, a new unique project Made in Italy. The new small appliances collection is produced by Smeg with an unmistakable Dolce&Gabbana touch.

Toasters, citrus juicers, coffee machines, kettles, blenders, stand mixers and slow juicers all decorated with gold lemons, citrus fruits, prickly pears and bright red cherries are just some of the typical Sicilian decorations framed in triangular motifs called *crocchi*: there are also delicate floral motifs inspired by the coasts and landscapes of Southern Italy and images of fascinating Mt. Etna, surrounded by ornamental friezes, picturesque ruins of the Greek temple of Castor and Pollux in the Valley of Temples, *trinacrie* and *cartocci*, a decorative motif similar to stylised acanthus leaves.
